

Woman's Club of St. Michaels Book Group News
September, 2021

We had a delightful afternoon at the St. Michaels library this September viewing the movie, "To Kill a Mockingbird." Prior to the movie, Carolyn Wasdyke introduced the movie and the book and then led us in an informative discussion following the viewing of the movie. It was great to see everyone in person again and a good time was had by all!

In October, we will be meeting at the Woman's Club clubhouse at our usual time, the 2nd Wednesday of the month at 10:30 am. The date for October is October 13th. We will be reading "The Book of Lost Friends" by Lisa Wingate and the discussion will be facilitated by Judy Shepard. Refreshments will be provided by Marianne Kost, Marianne Challoner, and Carolyn Wasdyke.

All members of the Woman's Club who are fully vaccinated are invited to attend the Book Group meetings. Please join us!
