

Please join us on Friday, April 21 at

Eat Sprout

335 N. Aurora Street, Easton

We will gather at noon and have a tour of their wonderful kitchen. We will then have the opportunity to choose from their selection of grab and go items for lunch (ranging from around \$8-15) to enjoy outside while we will learn the history of how Eat Sprout came to be, how they source their foods, and how they give back to the farmers they purchase from through a unique composting program. Drinks will be provided by Eat Sprout and we will have the opportunity to taste some of their breads that were freshly baked.

*RSVP to Sharon Bianchetti, Culinary Co- Chair
